Most viewers from (top 15 countries)

- India, USA, Germany, UK, Brazil, Turkey, Canada, Japan, Mexico, France, South Korea, Italy, Netherlands, Australia, Indonesia .
- But, I noticed that the viewers are from at least 100 countries!

Age wise:

- People of age group 18-34 are the major viewers.
- ~90% Male and ~10% Female

Most Popular Channel: Fortran Programming Tutorials(Revised)

Personal Stories

- Bangalore, India,
- Pau, France,
- Tokyo, Japan,
- Canada,
- Rio de Janeiro, Brazil,
- Singapore,
- Turkey,
- Bari, Italy,
- Hongkong,
-

Playlists – 2015-2016

Playlists Proposed

- Fortran - Basics
- Fortran – Advanced
- Python
- LaTeX
- Fortran – OpenMP
- Fortran – MPI
- R Programming -
Abandoned

New – Additions

- Series Introductions
- Fortran Hacks
- Python Hacks
- Installing Software(s)
- Computer Terminologies in
HPC

Playlists – 2016-2017

Playlists Proposed

- Fortran – OpenMP
- Computer Terminologies
- Fortran - MPI
- C Programming
- Linux tutorials
- C++ Programming

Under Consideration

- C++ Programming
- Numerical Methods
- Data Analysis
- Approaching N-S Equations

Viewer Suggestions

- Linux Tutorial - Accepted
- R Programming - Retracted
- CUDA Fortran – Not sure yet!

Changes based on Feedbacks

- Shorter tutorial videos (less than 10 min)
- Less hiatus period within playlists
- Crisp explanations
- Will try to be hilarious (I will do my best to be sincere!)
- Structured outlines (instead of on the fly outlines) with scopes for additions
- For the foreseeable future, will be staying in Linux platform for all videos!

Suggestions, Feedbacks and Recommendations?

- Drop a comment or leave a message
 - Will definitely read through
- Open to constructive criticism

Thank you all!

- Friends,
- Family,
- Mentor,
- Viewers and Subscribers! :)
